Flexible Spending Accounts

You may choose to participate in one or both of the flexible spending accounts:

- · Medical Care Reimbursement Account
- Dependent Care Reimbursement Account

These accounts are administered by BASIC, who holds your payroll deductions and makes reimbursements to you out of your account(s). You must complete the Flexible Benefit Plan Election/Change Form and the Direct Deposit Authorization Form (located on the back of the enrollment form) to participate.

The medical care reimbursement account lets you set aside tax-free-dollars for a wide range of health-related expenses that are not covered by the medical, dental or vision plans. You do not have to enroll in the medical, dental or vision plans to participate in this program.

The dependent care reimbursement account lets you set aside tax-free dollars for eligible day care expenses for your dependents.

For expenses to qualify:

- You and your spouse must be employed or actively seeking employment or attending school full time.
- Dependent care provider must claim payments as income.
- Dependent care expenses paid during a sick leave, holiday, or vacation are not eligible.
- Expenses must be for the care of a qualified person:
 - A child under 13 years old who is a dependent for income tax purposes. (If your child turns 13 during the plan year, expenses are no longer eligible for reimbursement.)
 - A spouse or dependent who is incapable of self-care and regularly spends at least eight hours per day in your home (i.e. an invalid parent). The same rules that apply for child care apply to the care of other dependents, except that the dependent need not be under age 13.

How the Accounts Work

First, you must incur an eligible expense. Then, you submit a Reimbursement Form and receipts to BASIC. You will receive the reimbursement through direct deposit if you complete the Direct Deposit Authorization Form. Since you are reimbursing yourself with "tax-free" dollars, you have more buying power than if you paid for the same expenses with after-tax dollars.

When you enroll, you need to decide how much you would like to contribute to your accounts each year:

- For the medical care account, the plan minimum is \$260 (or \$10 per pay check) and the maximum is \$5,000 per eligible employee per year. If you and your spouse are employed by the City each can contribute \$5,000.
- For the dependent care account, the plan minimum is \$260 (or \$10 per pay check) and the maximum is \$5,000 (married-filing jointly) or \$2,500 (married-filing separately) each year.

You must carefully consider how much you would like to contribute. Because of the tax break, the IRS requires a "use it or lose it" feature for this benefit. That means if you have not incurred enough qualified expenses by the end of the plan year, it will be forfeited. The \$3.75 fee per participant per month will be paid by the City.

You must enroll each year if you want to continue participating in the flexible spending account program.

The dependent care account is a pay-as-you-go account. You may only be reimbursed up to the amount you have contributed to the account.

You should check with a tax advisor to see what your savings might be if you participate in the flexible spending account program.

Note that you are unable to use certain tax credits if you use the FSA accounts.

Federal regulations do not permit expenses for domestic partners to qualify for the flexible spending accounts.

This is an example of how you can save tax dollars with an FSA.

Parking and Transit Plan (Section 132 Plan)

Now you can also save money on your transit costs (up to 40%) by joining the parking and transit program administered by BASIC.

You can pay for your work-related parking and mass transit costs with tax-free dollars. Because the City pays the administration fee, there is no cost to participate in this program.

How Much You Can Allocate Tax-Free?

The calendar year limit for mass transit is \$230 per month and \$230 per month for parking.

Any unused funds continue to roll over monthto-month, year-to-year as long as you are an active employee. Requests for reimbursement must be made within six months of the pre-tax contribution.

Enrolling

City-Owned Lots:

You must contact the Parking Division of the Municipal Development Department at 924-3950. By enrolling through them, your monthly salary reduction will automatically be applied to your payment due for parking.

Non-City Lots:

You must enroll online at www.basiconline. com Click on BASIC Parking. Click on submit expenses to complete the enrollment form.

To receive reimbursement for non-City lot parking, expenses must be submitted online at www.basiconline.com. You will receive your reimbursement by direct deposit only.

What Expenses Are Eligible

Your parking expenses on or near the premises of the City of Albuquerque or a location from which you commute to work by train, bus, van or carpool.

Parking/transit expenses resulting from travel to or from meetings, to visit other City departments, or other locations are ineligible for reimbursement.

Reimbursement can only be made in accordance with the orthodontia contract, (e.g., monthly quarterly, etc). The orthodontia contract must be provided with each claim. *These items must be purchased to alleviate or treat personal injury or sickness. Eligible items do not require a prescription. If the cash register receipt does not show the item description, a copy of the product packaging with price tag will be needed with the receipt.

³The service must be prescribed by a physician to treat a medical condition. Treatment cannot be for general health and/or well being. ⁴The services may be provided in your home or another location, but not by someone who is your minor child or dependent for income tax purposes (i.e. an older child).

- If the services are provided by a day care facility, that facility must comply with state day care regulations.
- Services must be for the physical care of the dependent, not for education, meals, registration, etc.
- Overnight camps and lessons in lieu of day care are not eligible for reimbursement from a dependent care account
